

# DAU Certified Data & Analytics Tester

Dec. 7, 2023 - Dec. 8, 2023

## details overview

### 2 days

 9.00 am - 6.00 pm daily

 Language: German

 Regular price:  
854.25€ plus VAT.

 Early bird discount (until 8 weeks):  
854.25€ plus VAT.

A Certified Data & Analytics Tester is not only able to define a **vision and test strategy**, but also apply it to an efficient test approach in data-oriented environments and projects. They are also familiar with the accompanying essential test specification techniques.

Successful DAU-CDAT participants can distinguish between different **data quality attributes**, measure these differences and apply essential **data profiling techniques**. They will also understand the intricate privacy aspects of the data that is associated with the given test environments and apply this to their data and analytics testing.
