

# LIVE-Online ISTQB® Certified Tester Foundation Level

April 6, 2020 - April 9, 2020

## details overview

### 4 days

🕒 9:00 am - 5:00 pm daily

🗨️ Language: German

💰 Regular price:  
1200.00€ plus VAT.

🕒 Early bird discount (until 8 weeks):  
1080.00€ plus VAT.

*Advice: Coffee and lunch breaks included*

In this live online training you are connected with our trainer and the other course participants in a virtual live seminar room in real-time with video and audio. You can therefore participate in the seminar from any location.

**Technical requirements:** PC or Mac with webcam and microphone and stable Internet connection.

**Bonus:** we will send you the training documents for this course in advance by mail, so that you can follow the contents optimally.

In this foundation level seminar, you learn the most important software testing terms and principles. Step by Step, we go through all the stages of the software testing process, from the planning to the specification to the testing and to the documentation of tests. We address professional test methods and show how they are connected methodically.

## exam

### optional

🕒 online exam - date of choice

🕒 60 minutes

🗨️ Test type:  
multiple choice

💰 Examination Fee:  
190.00€ plus VAT.

*Advice: Non-native speakers are eligible for additional exam time*

In 4 days you will have plenty of time to absorb the course contents. In addition to providing space for practical examples and discussions, the time span also offers enough buffer for small screen breaks in between.

All our trainers have many years of experience in the field of software testing, and a have track record as consultants in small and big projects.
